

WHY SHOULD YOUR DANCE CLUB JOIN SIFDAC?

Dear dance leader,

We would like to encourage your folk dance club to join the Sacramento International Folk Dance & Arts Council. SIFDAC is a dedicated group of dancers who work year round to make sure that dancing is alive and well in Sacramento, and I think we all agree that is a good thing. We are an umbrella organization that publicizes and coordinates dance-related activities. Our membership year runs from September to September. The advantages of membership are listed below. I have volunteered to update the “Where to Folk Dance” document which will be published on the SIFDAC website (www.folkdancesac.org) and in the Folk Dance Federation magazine, “Let’s Dance”.

Here is a list of the activities that your club membership fee of only \$16 a year supports:

Folk Dance Federation membership which includes our opportunity to publicize
our events in Let’s Dance magazine

National Folk Organization membership which includes our insurance

Camellia International Dance Festival & Concert

Workshops with guest teachers

Membership Barbeque

Scholarship Ball

Scholarships to dance camps

Website: folkdancesac.org

Meetup.com membership

Facebook page: [Sacramento International FOLK Dancers](#)

Concerts and dance parties

Your membership is your way of saying that you appreciate the efforts and that you want to contribute toward them. You are also encouraged to participate in these events and in the Council. You can go to our website www.folkdancesac.org for an application.

Thanks for thinking about it and for your support!
