

## WHY SHOULD YOU JOIN SIFDAC?

We would like to encourage you all to join the Sacramento International Folk Dance and Arts Council (SIFDAC). This is a dedicated group of dancers who work year round to make sure that dancing is alive and well in the Central Valley, and I think we all agree that is a good thing. Our clubs include those in the greater Sacramento area, Davis, Placerville, Shingle Springs, Garden Valley, Turlock, Modesto, and Reno. Here is a list of the activities that your membership fee of only \$10 a year supports:

Latest Steps Lite, a calendar of dance-related activities and minutes of Council meetings sent to you each month via email

Folk Dance Federation membership which includes our opportunity to publicize our events in Let's Dance magazine

National Folk Organization membership which includes our insurance  
Camellia International Dance Festival & Concert

Workshops with guest teachers

Scholarship Ball

Scholarships to folk dance camps
